Breeding Management Fee for Mares: \$450 for fresh or cooled semen and embryo transfer recipient mares; \$550 for all mares being bred with frozen. This is due when the mare arrives at the facility.

Board is in addition to the breeding management fee. Breeding management fee is for one cycle and does not include additional veterinary charges.

Board for mares is at a rate of \$20.00/day dry and \$25.00/day wet (with a foal at foot). For mares bred by us and confirmed 24 days or more in foal, board will increase to \$30.00/day dry and \$35.00/day wet.

Trailer-in-&-out services: Payment due at time of service. Additional veterinarian expenses may be billed separately & payable as invoiced.

TERMS AND CONDITIONS:

Initial ____ 1. All board, veterinary, medical, farrier and other related expenses on the above named animal will be paid by the horse owner and are payable monthly. A 1.5% monthly service charge (18% annual) will be levied on accounts 30 days past due. All unpaid balances must be paid prior to the departure of the animal from Equine-Reproduction.com, LLC. Board rates are subject to change only after written

33575 East County Road 1650, Wynnewood, OK 73098-9183

notice to owner. The first month's board is payable in advance or upon arrival of said animal. A pro-rated refund of board monies will be made by Equine-Reproduction.com, LLC if horse remains under their care less than a full 30 days and suitable notification of removal is provided.

Initial ____ 2. Equine-Reproduction.com, LLC agrees to provide all facilities for the care and feeding as described for the above horse while in their care, custody and control.

Initial ____ 3. Horse owner will provide Equine-Reproduction.com, LLC with any of the following checked items prior to horse's arrival (pre-checked items are required).

Current health certificate if from out-of-State

Negative test results if mandatory testing required in event of outbreak (e.g. VS, Piroplasmosis etc.).

Current negative Coggins or EIA Elisa test

Proof of VEE, WEE, EEE vaccination

Proof of Tetanus vaccination

____ Proof of _____ vaccination

____ Copy of Registration Documentation

Health and breeding record(s) if applicable

Insurance Policy, if in force

Current negative EVA or Documentation of EVA Status and Vaccination (if applicable).

Initial ____ Those items checked and not accompanying the animal may be obtained through Equine-Reproduction.com, LLC veterinarian at owner's expense.

Initial ____ 4. Equine-Reproduction.com, LLC reserves the right to refuse or reject any horse.

Initial ____ 5. Foals older than 9 days of age not suitably halter broken will be subject to a \$150 additional charge.

Initial ____ 6. If animal is unruly, Equine-Reproduction.com, LLC reserves the right to charge owner for any special training or management required to maintain animal properly and safely and owner agrees to pay said fee.

Initial ____ 7. Owner hereby authorizes Equine-Reproduction.com, LLC, at owner's expense, to transport horse or consent to such transportation as is necessary by any third party selected by Equine-Reproduction.com, LLC while such animal is under the care, custody and control of Equine-Reproduction.com, LLC.

Initial ____ 8. Owner will notify Equine-Reproduction.com, LLC at least 24 hours prior to delivering and/or picking up animal. The facility is open for delivery and pick up 9-5 pm Mon-Fri and 10-12 am Sat and Sun. Arrangements must be made at least 48 hours ahead of time for delivery or pick up outside these hours and may not be available.

Initial ____ 9. Mares removed from the property prior to pregnancy check may be subject to a charge for that service if returned at a later date. These are performed by the staff veterinarian only by appointment, on Wednesdays and Fridays 9-10 am and 4-5 pm (subject to emergency calls), with bookings to be made by Wednesday for Friday, and Friday for the next Wednesday, and a charge applies. Alternatively, the mare may be returned and left for an entire day, in which case no charge will apply.

Initial ____ 10. It is mutually agreed that Equine-Reproduction.com, LLC, Jos C. Mottershead, Kathy St.Martin, their staff or any personnel associated with the above shall not be liable for any sickness, disease, theft, death, accident and/or injury caused to or by the above named animal during the time the horse is in the care, custody of or under the control of Equine-Reproduction.com, LLC or for any claim or cause of action whatsoever arising out of or in any way connected with Equine-Reproduction.com, LLC's, management, care, custody, control, breeding, boarding or transporting the animal. This includes but is not limited to any personal injury or disability, commercial loss or damage, consequential or collateral damages, or any other expense or cost which owner of said animal may receive while owner or horse are in/under the control of Equine-Reproduction.com, LLC or on the premises of Equine-Reproduction.com, LLC.
